Now the above matter is fixed in Court on **04.12.2019** at **09:30 a.m.**

13/11/19

(QAZI ASHFAQ AHMED)

For **ASSISTANT REGISTRAR, CRIMINAL BR.**

Karachi
Dated:- **13.11.2019**

ORDER SHEET
IN THE HIGH COURT OF SINDH AT KARACHI
Criminal Miscellaneous Application No.284 of 2018

Date **Order with signature(s) of Judge(s)**

Hearing of main case

11.11.2019

Mr. Manzoor Hussain Soomro, advocate for applicant.

M/s. Muhammad Hanif Samma, and Abad-ul-Hasnain, advocates/amicus curie.

Ms. Amna Ansari, Additional P.G alongwith Muhammad Hbaib Khan, AIGP Legal-II; Raza Mian, DSP Legal; Akbar Ali, DSP; Munir Ahmed, DSP Hyderabad Region, Ejaz Ahmed DSP Hyderabad Region & Khalil Ahmed, DSP, Mirpur Khas region.

Salahuddin Panhwar, J.- Partly heard learned counsel for applicant as well as learned *amicus curie*. Pursuant to order dated 24.01.2019 , AIGP, Legal-II is present and submits report. *At the outset*, it would be conducive to refer paragraph No.8 of order dated 24.01.2019 which is that:-

8. Since, in the case of Nasrullah, a good coordination of all concerned, including Court (s) was insisted and each institution was asked to perform its role, therefore, IGP Sindh shall ensure complete breakup of remaining pending cases including Districts of Karachi as well initiatives, if so far taken after circulation of judgment of Nasrullah. Needless to mention that Prosecutor General Sindh's office is, otherwise, directly concerned to supervise investigation hence PG Sindh office shall submit details of A-class cases (under investigation) as per directives, given in case of Nasrullah supra. IGP Sindh depute any responsible person to assist P.G. Sindh's office and bifurcate the cases and submit details of cases of heinous crimes separately in whole Sindh particularly Karachi; which are yet pending for arrest/ names of culprits (A-class). Moreover, CTD, SIU, AVCC, Special Branch and Crime Branch, shall also submit details with regard to cases which are yet pending under A-class.

Pursuant to above order, AIGP submitted report which shows alarming figures of free and unidentified criminal (s), involved in

heinous crimes in Karachi Hyderabad and Sukkur regions, details are that:-

KARACHI REGION HEINOUS CASES

Dacoity/robbery	175	170	130	110	112	163	56	49	40	41	1046
Kidnaping for ransom 365-A	04	01	02	06	02	02	-	02	02	01	22
Total	227	218	185	155	154	215	93	76	63	61	1447

* He also submitted report of A-class cases. According to report, 75267 cases are pending for investigation wherein culprits are yet to be arrested. It is very strange that in this metropolitan city where sufficient number of police force and Rangers personals are operating but number of cases with regard to murders during dacoity, dacoity, robbery, kidnaping for ransom is not only very high but culprits thereof normally remain unknown whereby their courage to act criminally stands double. The FIR (s) against culprits, thus, never serve purpose thereof (*moving of wheels of law*) except increasing heap and putting feared masses into further fear which, even, is resulting into taking away their courage to report crime (s) rather

making them to prefer to surrender before criminals during crimes as well post process thereof (crimes). Such like scenario, I shall have to insist, if continues rooting tight, shall turn a metropolitan city into a *jungle*. In the report, cases of kidnaping for ransom are 4822. The total figure of all cases is around 25205 which is shocking and needs work of force on war basis.

2. At this juncture, Mr. Abad-ul-Hasnain, advocate (*amicus curie*) contends that since Rangers is working in Karachi and they are also in joint work with police force, therefore, notice to D.G Rangers, Sindh may be issued with further direction to assist the police officials and ensure that all cases are investigated properly and accused are arrested and sent up to the trial. There can *hardly* be any denial to the fact that root purpose of **Pak-Rangers** in cities is nothing but to ensure restoration of **peace** thereof. The **peace** can't be expected unless the **every criminal receives his due** which, *first*, requires identification of criminal and then sending him up to face the trial. It is the time to take **Pak-Rangers** into confidence in the issue, involved. Let the notice be issued to D.G. Rangers who, hopefully, shall come forward with some mechanism of Pak-Rangers role in identification *least* arrest of **criminals** of heinous crimes. All the earlier orders, so far passed in matter, be also communicated so as to make him aware of gravity of issue. Besides, this report shall be submitted to District and Sessions Judges, through MIT with further directions that all Judicial Magistrates shall call reports of FIRs from their respective areas and ensure that investigation is supervised and concrete steps are taken without burdening the *private* complainants by compelling their appearance unless, *otherwise*, justified. With regard to investigation and arrest of accused, Judicial Magistrates shall maintain the record of A-Class cases separately and that shall

be the part of pending cases and Case Flow Management System (CFMS) and shall flash the number of cases on website. The Judicial Magistrates would be competent to call Investigation Officers or would direct SSPs to supervise the Investigation, in case any officer is transferred or not available due to any reason till proper handing over of investigation.

3. At this juncture, Mr. Muhammad Daud Narejo, advocate for the petitioner in connected petition No.S-1219/2018 contends that CRO maintained by the DIG, CIA is not in accordance with law. It has further come on record that the same is not having any nexus with the record maintained by the Jail Authorities. The CRO must be proved to have been properly maintained. If maintained *properly*, there shall always be nexus and matching. Accordingly IGP, Sindh and IGP, Prisons, Sindh shall ensure that CRO pertaining to whole Sindh Province is categorized with separate Divisions and shall be maintained by their joint venture and every Investigation Officer or police officer shall be provided access to other CROs and it shall be maintained and linked with other Districts. Needless to mention that such CRO shall be separated with regard to convicted and acquitted accused persons. The Chairman NADRA shall also provide necessary access and facilities to IGP, Sindh to maintain the CRO with verification.

4. It has come on record that every FIR is being maintained on computer and is linked with CRO office, therefore, there should be nexus of CRO office with CRO record maintained by concerned office, who is maintaining record of CRO and in case any accused is hardened criminal and having other cases, immediately that report shall be sent/conveyed to the concerned I.O. In cases against society

like murder, decoity, robbery, kidnaping for ransom, theft or rape, the I.Os shall ensure, if name of accused is surfacing in FIR or surfacing for investigation, I.O shall verify it from CRO office whether any other case is pending against that accused?. If the answer is *positive* then same shall be the part of his report and legal course shall be followed in investigating that accused.

5. At this juncture, Mr. Muhammad Hanif Samma, advocate (*Amicus Curie*) emphasis on paragraph No.5 of order dated 26.2.2019 and further he has emphasised on order dated 12.3.2019 which reflects that representative of Law Department was present and sought time to examine the Sindh Criminal Courts Rules 2012 and proceed further for legislation in accordance with law. However, no positive response is there except such a *commitment* which (commitment in court proceedings) has legal weightage as well consequences in case of *failure*. Ignoring it for time being, I find it appropriate to call the Secretary, Government of Sindh, Law Department, who shall be in attendance on the next date and shall submit report as well as learned MIT shall ensure that Rules are provided to all Judicial Magistrates and the same shall be complied with.

6. At this juncture, Mr. Abad-ul-Hasnain, advocate (*Amicus Curie*) contends that though CCTV Cameras are available on almost every road and every public place in Karachi or in other Districts of Sindh, but it is not observed in any case that any Investigation Officer has taken pain and submitted any captured CCTV footages. It is admitted by the police officers present in Court that CCTV directorate is established in Civic Centre. The purpose of CCTV cameras in city as well establishing of a Civic Centre, *prima facie*, is meant to ensure

immediate identification of culprits and then arrest. Needless to mention that in this modern era, CCTV is the best source to arrest the accused as well the best source of evidence but police officials/investigation officers are not taking any interest thereby making the very objectives of such huge *investment* a **failure** which, too, at the cost of peace of the Cities rather they look for the expertise to investigate the cases through CCTV and DNA. Therefore, IGP, Sindh shall ensure that training programs shall be launched whereby at least 50 officials in Karachi and 20 officials in each Region/ Division of Sindh shall be trained, particularly with regard to DNA and collecting evidence through CCTV Cameras and lock tracking. Such report shall be submitted on next date. The said training shall be initiated under the provision or with the help of any qualified agency, private or public. It is time to remind that a clear *footage* must be shown to have been used to get identification known with help of NADRA which (*NADRA*) was / is also aimed to ensure such facility on a single click. Accordingly, the report should also be submitted as to whether any measures were taken in cases of *clear footages* of criminals which cases, *otherwise*, sent up with A-Class report.

7. At this juncture, Mr. Muhammad Hanif Samma, advocate (*amicus curie*) contents that funds are not properly provided by the Government of Sindh to the Police Department. Accordingly, the Home Secretary and the Finance Secretary, Government of Sindh shall submit detailed report with regard to allocation and release of funds of last three years to the Sindh Police on the next date so that report be called from concerned quarter as to whether the *objective* of allocation of fund was ever achieved or otherwise?.

8. Counsel for the applicant contends that though report was submitted, but that was not considered though sufficient evidence was available with the I.O but he failed to file report for submission of challan. Further, he contends that learned XIV-Judicial Magistrate, Karachi East has relied upon report of earlier I.O. I am surprised that how any report in matter of '**A classes**' can result into disposal of such FIR without *first* disclosure of accused and then *trial* thereof?. The report (s) of investigating officer (s) have never been given the binding status because it is *absolute* domain of Courts. Accordingly, learned District and Sessions Judge, East Karachi shall refer the report in FIR No.264/2018, P.S Ferozabad, Karachi, who shall transfer it to another Judicial Magistrate, who shall pass fresh order on "A" class report submitted by police as well learned Judicial Magistrate shall ensure compliance of further proceedings within spirit of Nasrullah case reported in PLD 2015 Sindh 238.

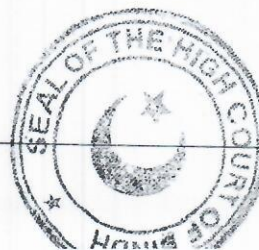

9. At this juncture, counsel for the applicant contents that there are serious threats to the father of the applicant who is residing in Khairpur District. Accordingly, SSP, District Khairpur shall ensure that complete protection is provided to the applicant, his father and his other family members in accordance with law. Such report shall be submitted before this Court.

To come up on 04.12.2019 at 9:30 am.
